Overnatning og arrangementer ved Klimatopmødet I Poznan, 2008

Climate Demonstration & Bicycle Ride in Poznan:

On the 6th December there is a climate demonstration and a climate bike ride planned. The demonstration will start at 12.00 on Saturday 6 December from Plac Wolnosci (Freedom Square). The proposed route of the demo will be from Plac Wolnosci along the streets 27 grudnia, Aleksandra Fredry, Franklina Roosevelta, to the Targi, where the talks are being held, around the Targi and then Towarowa, Franciszka Ratajczaka back to Plac Wolnosci. (This is all on the condition that the authorities accept our route and don't demand that we change it). We invite international guests to take part in the demo with your slogans, banners, flags and placards. We would ask people that

plan special happenings etc. during the demonstration to tell us about it before 1 December, so that everything can be integrated.

BICYCLE RIDE

Before the demonstration there will be a bicycle ride through the streets of Poznan. It will be possible to hire bikes and local people will bring their own. The ride will finish where and when the demonstration starts, so that the bikers can join the demonstration. The hired bikes will be collected so that people can continue on foot. Those who have their own bikes will be at the front of the demonstration.

MEETING – DISCUSSION PANEL

We are planning a joint meeting for Sunday 7 December from 11.00 with a panel of speakers. It will probably be held at the University, but we haven't yet reserved a room. If any of your organizations want to hold a conference, seminar etc. at another time and don't yet have a room, you can write to stepniew@amu.edu.pl and we will try to help you (but can't promise anything). Please write before 20 October and tell us for how many people the room should be.

MEDIA ACCREDITATION

If you need accreditation to cover the climate conference for the media you should write to stepniew@amu.edu.pl – as soon as possible.

ACCOMODATION

Poznan City has promised 400 accomodation places in the gyms of two schools from Friday 5 December to Sunday 7 December. The cost will be 15 PLN (around 4 euro) per night per person. You will have to bring a sleeping bag and a carrymat/mattress. We will take advance reservations. If it turns out that 400 places is too little, we will try to get more. Please send your reservation (preferably as a group or if necessary individually) to: stepniew@amu.edu.pl and please write RESERVATION in the title of the mail. We would like to have the reservations before **1 November**, so that we have an idea if we will need more places.

Staying in Poznan:

Polish Climate Movement is organising school gyms for people to stay in. Contact pjradomski@interia.pl to find out more.

FURTHER INFORMATION, CONTACT, WEBSITE

There will be created a new website with information about the demonstration, how to get to and around in Poznan and other useful information.

The address will be www.poznan2008.org but ***you have to wait a little while before it will be up.*** For questions other than accommodation you can write to international@poznan2008.org and we will answer you in English.
